visited with Alma relatives Sunday.

How Diphtheria is Contracted.

One often hears the expression,
"My child caught a severe cold which
developed into diphtheria," when the
truth was that the cold had simply
left the little one one particularly
susceptible to the wandering diphthe-
ria germ. If your child has a cold
when diphtheria is prevalent you
should take him out of school and
keep him off the street until fully re-
covered, as there is a hundred times
more danger of his taking diphtheria
when he has cold. When Chamber-
lain's Cough Remedy is given it
quickly cures the cold and lessens the
danger of diphtheria or any other
germ disease being contracted.

Be sure to see Olive Thomas in

week.—adv.

Has Progress visited your home
as yet? Has the vacuum cleaner
presented your wife with a couple
of hours of rest each day? Have
electric cooking utensils helped the
missus prepare your meals? Is
your home brightly illuminated?
It's a progressive step to visit this
electrical shop. Ask your wife to
accompany you.
